Dance Fusion

Dance Fusion is unlike most dance competitions because it fuses together traditional Indian Bollywood dance with American hip-hop. Our competition fuses South Asian music with various other genres of music.

This upcoming year, Dance Fusion once again will hit the Orlando area, on February 12th, 2011. Expect an even bigger show this year, with performances from various teams from Universities across the nation. Keep on the lookout for updates to the show in the coming months. We hope to see you there!!

Last year Exit 10 along with JSK Entertainment hosted Dance Fusion at the Orange County Convention Center in Orlando, Florida on March 27th 2010.
